

The Spreader of Choice

TANDEM AXLE FERTILIZER & LIME SPREADERS

SPREADIT • SPREADIT JUNIOR • 47C

Newton Crouch Spreader Exclusive

Newton Crouch Spreaders
yield the most uniform
spread pattern in the
industry as easy as 1-2-3!

Newton Crouch Spreaders give
unsurpassed features...

- Simplicity
- Ruggedly durable quality
- Our exclusive **Spread-Tek™**
application system
- **Number One Spread Pattern**

Spread-Tek™ Application:

Exclusively developed and used by
Newton Crouch Inc., our **Spread-Tek™**
application delivers consistent, accurate,
and uniform spreading.

With ongoing research and testing since
the 1960s, our engineers, customers,
and product specialist have continuously
reached the same findings:

**Spread-Tek's™ superior spread
patterns result from five basic
equipment variables:**

- **Spinner design**
- **Spinner position**
- **Spinner speed**
- **Chute location**
- **Material**

It's a fact! Newton Crouch Spreaders
lay out the flattest, most uniform, most
consistent spread pattern in the industry.

Operators state that Newton Crouch
spreaders are the easiest to set up and
adjust to achieve the most desirable
pattern.

**"Calibrated the box in the field - it was
almost perfect with the chart!"**

Michigan Grower

Spread-Tek™
APPLICATION

TANDEM AXLE SPREADERS

Various Capacities Available

WIDELY USED on FARMS, TURF, & in the FIELDS.

Designed and built stronger to last longer.

Stainless Hull, 24" Conveyor, Dishes, & Blades

**Fertilizer & Lime Sprockets
with Third Rate Kit**

"I have sowed all
my cover crop with
it the past 12 years.
The spreader has
not been touched
and nothing has
been replaced since
new. All we do
when finished for
the day is rinse the
equipment off."
**North Carolina
Grower**

Manufactured
**heavier...sturdier
and stronger...**
with more **304
stainless steel...**
a design that's
easier to operate
and maintain.

NCI Exclusive Hydraulic System

Low Cost Ownership

Spreadit, Spreadit Junior, & 47C

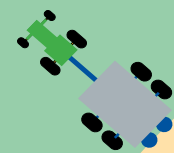

Spreadit
Heavy Duty Tandem Axle
8 Tons - 233 Cubic Feet
10 Feet x 99 Inches
19L x 16.1 Tires

Spreadit Junior
Heavy Duty Tandem Axle
6 Tons - 172 Cubic Feet
9 Feet x 90 Inches
16.5L x 16.1 Tires

47C
Tandem Axle
4/5 Ton - 129 Cubic Feet
5 Ton - 170 Cubic Feet (shown)
10 Feet x 72 Inches
14L x 16.1 Tires

We'd like to show you why
Newton Crouch spreaders
deliver a more uniform,
consistent, predictable
pattern than any other
spreader brands.
